

Former AquaDoggs Show Well at NCAC

February, 2006 - Bearden alumnus Cody Nicely and Matt Jacobssen compete to the top of their events in the recent North Coast Athletic Conference swim and dive meet in Canton, Ohio. In a conference that has national attention and implications for the national D-III title, both Cody and Matt pushed themselves to All-Conference status. Cody Nicely, a Wittenberg University (Springfield, Ohio) diver and former 2004 NCAC champion and Diver of the Year, again took All-Conference honors in the 1 meter springboard, setting a new Wittenberg record. Matt Jacobssen finished at the top of three different events (the 100, 200 and 500 freestyle), earning All-Conference status in each for National champion Kenyon College (Gambier, Ohio). While their teams opposed each other Cody and Matt showed the their blood still runs maroon as they encouraged each other to do their best and congratulated each on the results.
